<Biography>

After he moved from Nice to Paris, he began studying Japanese and it's culture at I.N.A.C.O. In June of 1997, he graduated with the thesis on "Futabateishimei and his movement on realistic style" While working as a French teacher and Culture in Charge, he began his radio show and DJ career. In 2001, he moved to Tokyo and began working as PR & Music in Charge at Institute of Franco-Japonais DE Tokyo. Since then, he's been planning the club events as DJ. He's planned various events, such as Fete de Francophonie, and coordinates a concert with many artists from abroad; Sanseverino, Sally Nyob, Romane, Laurent, Jeame Balibar and etc...
